# Celebrity Date Match!

The love expert hooks up  
single stars on the  
new season of her  
matchmaking show!

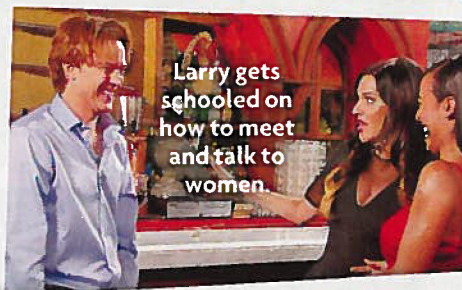

**M**ONEY can't buy love...and neither can fame, which is why, on the new season of *The Millionaire Matchmaker*, **Patti Stanger** focuses on helping single celebrities find love. "This is the most celebs we've ever had," Patti tells *Star*. "Celebrities are actually nicer than run-of-the-mill millionaires, who are high-minded and think they deserve a supermodel in five seconds. But when you get somebody like **Melyssa Ford**, the bar is high — and finding the right person is like finding a needle in the haystack."

Melyssa, the sexy and successful star of the Bravo series *Blood, Sweat and Heels*, has a history of dating bad boys; Patti fixes this by having her tamp down on her video vixen persona. She appears on the season premiere alongside Anna Nicole Smith's former flame and baby daddy, **Larry Birkhead**, who has some problems of his own. "Larry was a really good-looking kid but a nerd. He was never a player — he has no game," says Patti. "He was madly in love with Anna and felt guilty when she died. So he's been committed to taking care of their daughter but hasn't made time for himself." Patti gives Larry some much-needed pick-up advice before setting him up with a sexy personal trainer.

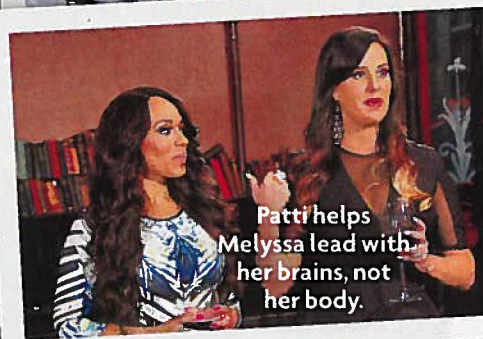

And along with matchmaking for stars

**The  
Millionaire  
Matchmaker**

Premieres Sunday,  
Dec. 7, at 9:30PM  
on Bravo

Larry gets  
schooled on  
how to meet  
and talk to  
women.

Patti helps  
Melyssa lead with  
her brains, not  
her body.

such as **Romeo Miller**, **Perez Hilton**, **Chris Manzo** and **Sonja Morgan** this season, Patti also enlists celebrities to help guide her clients. That includes **Kristin Cavallari**, whom Patti calls a Man Shredder and who teaches a rich young woman who's just had her heart broken to reclaim her confidence.

The new season also introduces a confessional element for her clients to share their deepest fears and, after getting pleas from single black women to be set up, features the most diverse mix of millionaires ever. As Patti exclaims, "This was my funnest season so far — it will be off the chain!" ★
